TRURO POULTRY AND SMALLHOLDERS SALE – SATURDAY 8TH SEPTEMBER 2018
PLEASE SEE OUR WEBSITE FOR SPECIAL BIRD GATHERING CONDITIONS

Our next Poultry and Smallholders Sale at Truro Market will be held on Saturday 8th September 2018 and the sale will commence at 10am.

(SUBJECT TO NO FURTHER BIRD FLU RESTRICTIONS)

We are inviting entries of livestock and deadstock of interest to smallholders including pigs, goats, ponies, plants, garden equipment and any other items of interest.

The sale will continue to focus on the well-established poultry section, but we hope that the opportunity to offer additional varied lots will be of further interest enhancing these sales.

In the Poultry Section, we will **not** accept single cock birds and would encourage vendors to enter pure bred poultry and game in pairs or trios although inferior cocks have a detrimental affect on the value of pullets and young hens which often sell better as laying or breeding birds.

We have a maximum of 300 cages and entries will close as soon as capacity has been reached. Therefore if you have entries we would be obliged if you would complete and return the attached form as soon as possible to avoid disappointment. The form **must** be returned to our offices by **Thursday 30th August 2018** to allow sufficient time to properly advertise the items.

In order to aid the sale we produce a catalogue and therefore require full descriptions.

Entry Forms will be returned to vendors in the week before the sale with lot numbers allocated to entries of poultry only. Other live animals and deadstock will be lotted on the morning of sale.

For Poultry entries, please indicate in the box provided against each lot the size of cage required. We have 240 standard 18" square cages (for bantams and standard fowl) and 64 larger 24" square cages (for large fowl only). Vendors are limited to a total of 20 cages each.

Will vendors please note that poultry, animals and all items of deadstock **must** be brought to the Sheep Section at Truro Livestock Market between **7.30am and 9.00am** on the day of the sale for penning and lotting.
