A good selection of over 1,200 lots were in the line-up, ranging from garden machinery, plants, and new hand tools, though to vehicles, trailers and agricultural implements.

Attracting considerable interest and star lot of the day, was an immaculately presented 2002 Mercedes Atego 3 horse lorry, which was driven away at the hammer price of £29,500.

Other leading prices from the sale include a 1996 New Holland NH95 Digger which achieved £9,600; an Ifor Williams 510 horse trailer sold for £2,500; and a Taarup 7120 Bale wrapper realised £1,700.

The cows are very productive, good bodied animals with a high proportion of recent calvers and several due soon. There are also several to give winter milk.

In addition to the cows this is a rare opportunity to purchase a large number of strong, well-bred in-calf heifers either to sexed semen or Pedigree beef bulls and due this autumn or early winter.
