32 Suckler Cows and Calves and 4 Breeding Bulls

A dispersal sale took place of the Pedigree "Pengwedna" herd of Charolais cows and calves on behalf of the late Mrs. A.E. Pascoe and Miss A.E. Pascoe of Nancegollan, Helston. A large crowd was in attendance with potential buyers from Cornwall and Devon and a number who had not previously been to the Market.

Top price cow and calf was a Charolais with steer calf at £2,226 with all cows and steer calves averaging £1,877. Top Charolais cow with heifer calf was £1,974 with the average being £1,660. An in-calf suckler heifer realised £2,079 with Charolais bulling heifers to £1,733.

The young Pedigree Charolais bull which was 15 months old realised £2,415. The reason behind this dispersal sale is sad, but the family should be pleased that the stock sold extremely well and will continue the "Pengwedna" herd name.

A run of 3 young bulls from Messrs. C.R. & I.E. White of Helston sold to a top price of £1,806 for a Charolais and £1,628 for a Limousin.
